Career Posting

Vocational Rehabilitation Consultants

CLOSING DATE: Aril 30, 2012

LOCATION: Calgary, Edmonton & Regina (or surrounding area)

We are currently seeking professionals to develop comprehensive Rehabilitation Plans with the medical community, and work with our stakeholders to facilitate return to work programs.

Key skills and requirements needed for this position are:

- Excellent verbal and written communication skills (particularly an ability to craft comprehensive rehabilitation reports) and the ability to work independently
- Experience in working with both physical/medical and mental health claims, and insurance based claims
- Must have excellent analytical skills and ability to problem-solve
- Strong interpersonal and counseling skills are an asset
- Experience with addictions is an asset
- Group facilitation experience is an asset
- Must be proficient in Microsoft Office Applications

Preference will be given to candidates with specific vocational rehabilitation experience. Training and mentorship is available.

Must be willing to travel throughout a designated area of your home province.

Please send résumé and any inquiries to hr@orgoc.ca.

We thank all those who express interest; only those candidates considered for this position will be contacted.
